| <b>Violation Detail(s):</b><br>Failure to comply with manufacturer specifications. At the time of my inspection of a13 story new building at foundation/excavation phase, I observed yodock system on street at exposure #1 and they were not filled or attached together according to manufacture specification. This creates a hazardous condition for pedestrian and vehicle traffic.                                                                                                                                                                                                                                                                                                                 |                                                                                                                           |                                                                                                                                                                                           |
