| <b>Violation Detail(s):</b><br>Miscellaneous violations. At the time of my inspection of a 4 story new building at foundation/excavation phase. I observe workers on site doing pile drilling operation, I observed side of adjoining building at exposure #2 was covered with blue rubber and not with permanently water proving. This creates a hazardous condition for public and property.                                                                                                                                                                                                                                                                                                            |                                                                       |                                                                                                                                                                                           |
